

Atlantic Baptist Women Short-Term Mission Trip to Cuba

Atlantic Baptist Women is organizing a short-term mission experience to Cuba through Canadian Baptist Ministries. Our CBM partner in Cuba is the Fraternity of Baptist Churches of Cuba.

Dates: April 7–16, 2018
Team Size: 8–12 women

Estimated Cost: Approximately \$2500 per person.
Cost includes all flights, insurance, accommodations, meals, in-country travel, and project costs.

Ministry Opportunities: The team will likely be involved with local congregations and women's groups to be an encouragement, learn from one another, and support their ministry. This could involve meeting with women's groups, participation in worship services, skills training, and/or a women's retreat. Specifics of the itinerary will partly be determined based on the abilities and gifts of team members and partner need, and will be confirmed closer to the time of travel. Women pastors are also encouraged to participate.
